How to make a claim

1. In the event of an emergency, check any Home Emergency cover **you** may have, as this may be a more suitable policy for **you** to claim on.
2. Check **your policy schedule** and this policy wording, which give details of what is covered and what is not covered.
3. Follow the General Conditions and General Exclusions of this policy wording.
4. Please call the number shown on **your insurer information document** at **your earliest opportunity**.

If **you** have any questions, please contact **your insurance advisor**.

Your policy wording

Please read this policy wording, **your policy schedule**, **your insurance product information document** and **your insurer information document** carefully so that **you** know what **you** are insured for. Make sure that **you** read the general exclusions, conditions and, if shown in **your policy schedule** any **endorsements** that apply. If the cover does not meet **your** requirements or if **you** have any questions, please contact **your insurance advisor** at **your** earliest opportunity.

This is a legally binding contract of insurance between **you** and **your insurer** (as shown in **your current policy schedule**). The legally binding contract includes this policy wording and **your policy schedule**. **Your statement of fact** is a record of the information provided or validated by **you**, in order for the contract to be offered.

Your insurer has agreed to insure **you** for the **period of insurance** under the terms, conditions and exclusions in this policy wording and any **endorsements** that apply. **You** are insured for any liability, loss or damage that happens, subject to any exclusion in this policy wording or any **endorsements** applied. This is provided **you** have paid or agreed to pay the premium and **you** meet all the conditions set out in this policy wording.

Statement of Fact

Please read the **statement of fact** carefully as this is a record of the information provided or validated by **you** and is the means to identify the information collected in order to offer the contract. If there are any inaccuracies or omissions **you** should contact **your insurance advisor** immediately to enable **your insurance advisor** to issue a replacement **statement of fact** and advise **you** of any resultant changes in terms or premium. **Your insurer** reserves the right to refuse this insurance if the amended information disclosed renders this risk unacceptable.

Renewing your policy

At renewal, **your insurance advisor** will check that the premium offered by **your current insurer** is still the most competitive. If one of **your insurance advisor's** alternative panel members offers a more competitive price then **your insurance advisor** will transfer **your** cover to the alternative insurer. Please note that **you** should always check **your policy schedule**, sums insured, and any applicable **endorsements** to ensure cover remains adequate for **your** needs. Please advise **your insurance advisor** at **your** earliest opportunity if cover no longer meets your needs.

Authority to renew

For **your** convenience and protection, provided that **your insurance advisor** is able to collect the premium by Direct Debit, **your insurance advisor** will automatically renew or replace **your** policy unless **you** tell **your insurance advisor** not to. **Your insurance advisor** will write to **you** before the policy renewal date to remind **you** of this, to outline any change to the conditions of **your** policy and to let **you** know what the new premium will be. (Please also see **Your Right to Cancel**).

Also for **your** protection - if the **home** is in a flood plain or in an area prone to flooding, or if **you** have made a claim on **your** policy in relation to flooding or **subsidence**, then **you** are advised not to cancel this policy until suitable alternative insurance arrangements are in place.

Change of insurer

As **your** agent acting on **your** behalf, **your insurance advisor** may from time to time use different insurer(s), to underwrite **your** insurance. This may happen, for example, where **your** circumstances change significantly or where an alternative insurer can offer cover or terms that are more suitable to meet **your** demands and needs.

If **you** request that **your insurer** is changed, **your insurance advisor** will cancel **your** existing policy and will arrange a suitable replacement; taking care to ensure there is no break in cover. **Your insurance advisor** will advise **you** of any change in the policy terms.

In the event that **your insurer** either declines or withdraws cover **your insurance advisor** may be required to move **you** to an alternative insurer without gaining **your** prior consent in order to ensure that there is no break in **your** cover. In such circumstances **your insurance advisor** will notify **you** and will advise **you** of any change in the policy terms. **You** will have the opportunity to terminate the replacement policy after such a change becomes effective.

Changes to your circumstances

Please tell **your insurance advisor** at the earliest opportunity if there are any changes to **your** circumstances which could affect **your** insurance.

Please refer to General Condition 11 of this policy wording for an explanation of the changes **we** need to know about.

If **your** circumstances change and **you** do not tell **your insurance advisor**, **you** may find that **you** are not covered if **you** need to make a claim.

Your right to cancel

You have a statutory right to cancel **your** policy within 14 days from the day of purchase or renewal of the contract or the day on which **you** receive **your** policy or renewal documentation, whichever is the later. **You** will be entitled to a full refund of the premium paid and no cancellation fee will be charged.

If **you** wish to cancel and **your** insurance cover has not yet commenced, **you** will be entitled to a full refund of the premium paid and no cancellation fee will be charged.

If **you** do not exercise **your** right to cancel **your** policy, it will continue in force for the term of the policy and **you** will be required to pay the premium as stated.

By allowing **your insurance advisor** to arrange **your home** insurance policy, **you** agree to any amounts **you** may owe **your insurance advisor** being deducted from any premium refund due to **you**.

Cancellation at any other time

You may cancel **your** insurance cover at any other time by contacting **your insurance advisor**. **You** will be entitled to a refund of the premium paid, subject to a deduction for the time for which **you** have been covered. If a claim has been made, or fraud is identified the full premium will be payable and no refund will be given.

If the **home** is in a flood plain or in an area prone to flooding, or if **you** have made a claim on **your** policy in relation to flooding or **subsidence**, then **you** are advised not to cancel this policy until suitable alternative insurance arrangements are in place.

Your insurance advisor and our right to cancel

Your insurance advisor (or **your insurer**) may also cancel the policy at any time by giving **you** 7 days' notice in writing where there is a valid reason for doing so. **You** will be sent the cancellation letter to the latest address **your insurance advisor** holds for **you** and it will set out the reason for cancellation. Valid reasons include:

- Where **your insurance advisor** has been unable to collect a premium payment. In this case **your insurance advisor** will contact **you** in writing requesting payment, which if not received within 7 days, will result in **your** policy being cancelled. **You** will be notified in writing that such cancellation has taken place;
- Where **you** are required in accordance with the terms of this policy wording to co-operate with **us**, or send **us** information or documentation and **you** fail to do so in a way that affects **our** ability to process a claim, or **our** ability to defend **our** interests. In this case **we** may issue a cancellation letter and **we** will cancel **your** policy if **you** fail to co-operate with **us** or provide the required information or documentation by the end of the 7 day cancellation notice period;
- Where there is a failure by **you** to exercise **your** duty to keep to the conditions of this policy wording;
- Where fraud is identified; or
- In the event of threatening or abusive behaviour or language or intimidation or bullying of **our** staff or suppliers.

A £35 cancellation fee will be applied by **your insurance advisor** for all such cancellations.

If the amount due when **you** cancel **your** policy is greater than the amount **you** have paid, **you** must pay the difference.

- **your policy schedule**;
- this policy wording;
- any notice to policyholders;
- any **endorsements** which apply to **your** cover as shown in **your policy schedule**.

3. Claims

Your duties:

As soon as **you** are aware of an incident or cause which is likely to lead to a claim under this policy, **you** must:

- tell the police at **your** earliest opportunity about any property which has been lost, stolen or maliciously damaged, and get a crime reference number;
- contact **your insurer** at **your** earliest opportunity;
- do all **you** can to get back any lost or stolen property and tell **your insurer** without unnecessary delay if any property is then returned to **you**;

- avoid discussing liability with anyone else without **your insurer's** permission;
- **You** can make any temporary repairs to prevent further loss or damage. However, until **you** have discussed **your** claim with **us** **we** are unable to confirm that the loss or damage is covered by **your** policy
- **You** should keep a copy of the invoices relating to the temporary repairs as they may form part of **your** claim.
- It would be helpful if **you** could take photographs of the damage.
- **We** must have the chance to inspect the damage before **you** carry out permanent repairs.

If someone is holding **you** responsible for damage to their property or for **injury** to them, please tell **us** at **your** first opportunity and give **us** full written details. If **you** receive any correspondence in relation to the claim, do not respond directly to it, please forward it on to **us** (This could include any claim form, summons to appear in court or other legal document). - Where property cannot be replaced or repaired **your insurer** will pay in cash the amount of the loss or damage. The sums insured will not be reduced by any claim;
- Where **your insurer** can offer repair or replacement through a preferred supplier but agrees to

pay a cash settlement, then payment will not exceed the amount that **they** would have paid the preferred supplier. If an equivalent replacement is not available then **your insurer** will pay the full replacement cost of the item;

- An approved supplier may be appointed by **your insurer** to act on **their** behalf to further validate your claim and they are authorised to arrange a quotation, a repair or a replacement where appropriate;
- Any permanent repairs made by **our** approved suppliers are guaranteed.

If **you** or anyone acting for **you**:

- deliberately misrepresents or deliberately fails to disclose relevant facts at any time that affect either the terms and conditions, the premium or whether **we** accept cover;

We may:

9. Index Linking

Specified **personal possessions** sums insured are automatically adjusted in line with changes in The Consumer Durable Section of the General Index of Retail Prices or its equivalent.

10. The right level of cover

It is **your** responsibility to make sure that the amount **you** insure represents the full value of **your** property.

For **buildings**, this means the full cost of rebuilding **your** property, including any outbuildings in the same form, size, style and condition as when new and including debris removal and building fees.

For **contents**, this means the full cost of replacing all the property at today's prices.

It is important that **you** insure for the full amount, as the sums insured in the **policy schedule** are the maximum that **we** will pay in the event of a claim. If the sum insured is less than the full value of the property insured, **we** will reduce the amount claimed in proportion with the underinsurance. For example, if the amount insured is only 80% of the actual replacement cost, **we** will only pay 80% of **your** claim.

11. Information and changes you must tell us about

Please tell **your insurance advisor** if there are any changes to the information set out in the **statement of fact** or on **your policy schedule**. You must also tell **your insurance advisor** about the following changes:

- any change or addition to the **contents** or the property to be insured that results in the need to increase the amounts insured or the limits that are shown on **your policy schedule**;

- A change to **your** correspondence address;
- A change to the insured property address as shown on **your policy schedule**;
- If **you** are no longer residing within the UK.

If **you** are in any doubt, please contact **your insurance advisor**.

When **your insurance advisor** notifies **us** of a change, **we** will tell **your insurance advisor** if this affects **your** policy, for example whether **we** are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to **your** policy.

If the information provided by **you** is not complete and accurate:

- **we** may cancel or void **your** policy and refuse to pay any claim;
- **we** may not pay any claim in full;
- **we** may revise the premium and/or change any **excess** and/or the extent of the cover may be affected.

In some circumstances **we** may not be able to continue **your** policy following the changes. Where this happens **you** will be told and the policy will be cancelled in line with **your** Cancellation Rights.

12. Sanctions

We will not provide cover, be liable to pay any claim or provide any benefit where doing so would expose **us** or any member of **our** group to:

Important Advice

This policy is designed to protect **you** against the risk of things happening suddenly which **you** could not have expected such as fire, theft, flood and **storm**. It is not designed to protect **you** against losses that arise due to the gradual deterioration or poor maintenance of the **home**.

We want to ensure that **you** are fully aware of the extent of **your** cover, and would therefore urge **you** to read this policy wording in full along with the **policy schedule**.

We have also taken this opportunity to bring some helpful information to **your** attention. This section does not form part of **your** policy and contains only examples of what is contained in **your** policy wording.

Storms

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property. It is therefore important that **you** keep the **home** in a good state of repair.

Areas that **you** should focus on include blocked or broken gutters or down-pipes, and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect so if **you** cannot check them yourself **you** should use a relevant building expert to do this for **you**.

Subsidence

Damage caused by **subsidence** is the result of ground movement affecting the **home**. The most common signs of this are diagonal cracks away from door and window frames.

New properties will often move for reasons other than subsidence and this natural settlement is not covered. Subsidence and other types of ground movement can be difficult and complex to repair. It is important that **you** tell us at **your** earliest opportunity if **you** think the **home** may be affected.

Escape of water

Your cover for escape of water is designed to cover damage to the **home** caused by water leaks.

It's always a good idea to get **your** boiler checked and/or serviced by a Gas Safe/ Oftec/Hetas certified engineer, depending on **your** heating system, in plenty of time for winter. This will help prevent boiler failure which could leave **you** with no heating and/or hot water.

One of the biggest risks of water damage occurs when **you** are away during the winter where pipes can freeze and burst causing large amounts of damage. It is important that **you** take steps to avoid this by keeping **your** central heating on low so your pipes do not freeze over. If **you** want to turn **your** heating off then **you** should drain your central heating system and switch off the water at the mains.

Pipes often burst because they have worn out; if this happens **you** should turn off the main stop tap and contact a plumber.

In addition, damage can occur due to water leaks caused when the sealant or grout around **your** bath or shower has worn away or failed.

Fires

A large percentage of fires start in the kitchen, and are caused by faulty electrical appliances or unattended cooking pans and equipment - particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Always purchase electrical goods from a reputable supplier as branded goods sold via untraceable internet suppliers at much reduced prices may be counterfeit and/or may not be fitted with the appropriate safeguards against the risk of fire.

Please ensure **you** bear these risks in mind and take adequate precautions to protect yourself and **your** family.

Smoke alarms save many lives and significant damage every year, please ensure that **you** have them fitted and check them regularly.

Floods

If water has or is expected to enter the **home** **you** should secure the **home** and move your **valuables** and essentials to an elevated place or upper floor. **You** should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If **you** know that **you** live in an area which is prone to flooding, there are additional steps **you** can take to

protect the **home** and we would recommend contacting **your** local Environment Agency for further advice or call Floodline on 0345 988 1188.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. There are more specific insurance policies available to protect **you** against this risk which can be sought elsewhere.

Thefts

Many thefts are committed by so called 'opportunistic' criminals. The **home** is significantly more likely to be burgled if accessible entrances are not locked and secured. **Your** policy may carry an endorsement about the security **you** have in place to prevent thefts, this usually requires **you** to have certain types of door and window locks. Please check **your policy schedule** for details of any **endorsements** that may be applicable. If **you** fail to meet these requirements **we** may impose a higher **excess** for theft claims.

If **you** are going away do what you can to make the **home** appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries and use timers on lights if **you** have them.

Garages and sheds are attractive to criminals as they are easier to break in to and often contain valuable items such as tools or golf clubs. Locking these is another important step to minimising the risk of a theft. **You** should also take particular care of items such as laptops, mobile phones and tablets if **you** have **personal possessions** cover and ensure they are not left unattended.

Collision

If someone crashes into **your** wall or the **home** make sure **you** record their name, address, vehicle registration and contact details. **We** will need this information to help **us** try to recover **your excess**.
