Failure to comply with the terms below may result in **us** cancelling the policy and/or refusing to pay any claim; **we** may not pay any claim in full, **we** may revise the premium and/or change any **excess** and/or the extent of cover may be affected.

1. Your duty to prevent loss or damage

- You must take precautions to prevent accidents, loss or damage
- All property insured under this policy must be maintained in good condition
- If loss or damage does occur **you** must take steps to prevent further loss or damage where possible

2. Your policy

Your policy includes:

- Your policy schedule
- This booklet
- Any notice to policyholders
- Any **endorsements** which apply to **your** cover as shown in **your policy schedule**

3. Claims

Your duties

As soon as **you** are aware of an incident or cause which is likely to lead to a claim under this policy, **you** must:

- Tell the police at **your** earliest opportunity about any property which has been stolen or maliciously damaged, and get a crime reference number
- Contact **your insurer** at **your** earliest opportunity
- Do all **you** can to get back any lost or stolen property and tell **your insurer** without unnecessary delay if any property is then returned to **you**
- Send **your insurer** any correspondence, legal or otherwise, received in relation to a claim or an event which may lead to a claim
- Avoid discussing liability with anyone else without **your insurer's** permission
- **You** can make any temporary repairs to prevent further loss or damage. However, until **you** have discussed **your** claim with **us** **we** are unable to confirm that the loss or damage is covered by **your** policy
- **You** should keep a copy of the invoices relating to the temporary repairs as they may form part of **your** claim. It would be helpful if **you** could take photographs of the damage
- **We**, or any approved contractor, supplier or loss adjuster must have the chance to inspect the damage before **you** carry out permanent repairs or dispose of any damaged items

To help prove **your** claim **your insurer** may require **you** to provide any of the following items including but not limited to:

- Original purchase receipts, serial numbers, invoices, bank or credit card statements, instruction booklets, photographs, proof of authenticity, utility bills, pre-purchase surveys or plans, tenancy agreement and deeds of the **property**

To help assist in dealing with **your** claim **your insurer** may require **you** to obtain estimates for the replacement or repair of damaged property. **They** will only ask for information relevant to **your** claim and **they** will pay for any expenses **you** incur in providing that information as part of **your** claim.

If someone is holding **you** responsible for damage to their property or for injury to them, please tell **us** at **your** first opportunity and give **us** full written details. If **you** receive any correspondence in relation to the claim, do not respond directly to it, please forward it on to **us** (This could include any claim form, summons to appear in court or other legal document). Do not admit **you** are responsible.

How your claim will be settled:

Your insurer will at **their** option repair, reinstate or replace the lost or damaged property, subject to the appropriate **excess**:

- Where property cannot be replaced or repaired **your insurer** will pay in cash or cash alternative (including vouchers and/or store cards) the amount of the loss or damage
- Where **your insurer** can offer repair or replacement through a preferred supplier but agrees to pay a cash or cash alternative (including vouchers and/or store cards) settlement, then payment will not exceed the amount that **they** would have paid the preferred supplier. If an equivalent replacement is not available then **your insurer** will pay the full replacement cost of the item
- An approved supplier may be appointed by **your insurer** to act on **their** behalf to further validate **your** claim and they are authorised to arrange a quotation, a repair or a replacement where appropriate
- **Your** insurer is entitled to assess **your** claim based on **our** approved supplier's or loss adjusters view and interpretation, even in situations where **you** have appointed a professional representative, such as a loss assessor or claims management company, to act on **your** behalf

General Conditions

- Your insurer is entitled to retain the right to communicate directly with you regarding your claim, even in situations where you have appointed a professional representative, such as a loss assessor or claims management company, to act on your behalf
- The sums insured will not be reduced by any claim
- Any permanent repairs made by our approved suppliers are guaranteed for a period of 12 months

Matching items

An individual item of a matching set of articles or suite of furniture or sanitary ware or other bathroom fittings is regarded as a single item. Your insurer will pay you for individual damaged items but not for undamaged companion pieces. If the individual damaged items cannot be repaired or a replacement found we will also pay up to 50% towards the undamaged part of the set or suite of furniture, sanitary ware or bathroom fittings.

Where carpet or floor covering is damaged beyond repair only the damaged carpet or floor covering will be replaced. Your insurer won't cover any undamaged carpet or floor coverings in adjoining rooms, even if they're the same colour or design.

Wear and tear

Under Section A - Buildings, if repair or reinstatement is carried out there will be no deduction provided that the sum insured represents the full value of the buildings and they have been maintained in good repair.

Under Section B - Contents there will be a deduction for clothes, furs and household linen. There will be no deduction for all other contents provided they have been maintained in good repair and the sum insured represents the full value of the property.

4. Other insurance

If any injury, loss, damage or liability under 'Occupiers and Public liability' or 'Property owner's liability' is covered by any other insurance we will not make any payment.

If any other injury, loss, damage or liability is covered by any other insurance, contract or legislation then we will not pay more than our share.

5. Your Insurer's rights

Your insurer may:

- Take over and conduct the defence or settlement of any claim, or right you may have against another person, in your name
- Enforce your right against any other person (in your name for your insurers own benefit) any claim for indemnity or damage
- In a perceived emergency enter the property where loss or damage has occurred. To safeguard the property against further loss or damage, your insurer may take and keep possession of insured contents and deal with the salvage

Your insurer has the right to do as your insurer sees fit in legal action and in settling your claim.

6. Fraud

If you or anyone acting for you:

- Deliberately fails to disclose relevant facts at any time
- Deliberately misrepresents or exaggerates information given, or acts dishonestly at any time
- Makes a claim in a fraudulent or false way, or where we are given any documents which are false or stolen

We may:

- Cancel or void your policy and all other policies to which you are connected to with us
- Not pay any claim which is in any way fraudulent, false or exaggerated
- Aim to recover any costs we have incurred and not return any premium
- Tell the police if we suspect fraud

7. Your duty to keep to the conditions of this policy

To be covered by this insurance, you must keep to the terms and conditions of this policy.

8. Arbitration

If we accept your claim but you do not agree with the amount we will pay you, we will refer the matter to an arbitrator chosen by you and us. You cannot take any action against us until you and we have received the arbitrator's final decision.

General Conditions

9. Index linking

The buildings sum insured in **your policy schedule** will be adjusted monthly and updated each year at the renewal date in line with any increase in the level of the House Building Cost Index (prepared by the Royal Institution of Chartered Surveyors) or any suitable alternative index **we** choose. The new sums insured and renewal premium will be shown on **your** renewal notice.

The contents sum insured will be automatically adjusted in line with changes in The Consumer Durable Section of the General Index of Retail Prices or its equivalent.

10. The right level of cover

It is **your** responsibility to make sure that the amount **you** insure represents the full value of **your** property.

For **buildings**, this means the full cost of rebuilding the **property**, including any outbuildings in the same form, size, style and condition as when new and including debris removal and building fees.

It is important that **you** insure for the full amount, as the sums insured in **your policy schedule** are the maximum that **we** will pay in the event of a claim. If the sum insured is less than the full value of the property insured, **we** will reduce the amount claimed in proportion with the underinsurance. For example, if the amount insured is only 80% of the actual replacement cost, **we** will only pay 80% of **your** claim.

11. Information and changes you must tell us about

Please tell **First2Protect** if there are any changes to the information set out in the **statement of fact** or on **your policy schedule**. **You** must also tell **First2Protect** about the following changes:

- Any intended alteration to, extension to or renovation of the **property**. However **you** do not need to tell **First2Protect** about internal alterations to the **property** unless creating an additional **bedroom, bathroom** or shower room
- Any change to the people insured, or to be insured
- Any change or addition to the **contents** or the **property** to be insured that results in the need to increase the amounts insured or the limits that are shown on **your policy schedule**
- If the **property** is to be sub-let, or used for business purposes (other than occasional clerical work)
- If the **property** is to be **unoccupied**
- If any member of **your** household or any person to be insured on this policy is charged with, or convicted of a criminal offence (other than motoring offences), or is declared bankrupt or has received a County Court Judgement (CCJ)
- A change to **your** correspondence address
- If **you** are no longer residing within the UK

If **you** are in any doubt, please contact **First2Protect**.

When **First2Protect** notifies **us** of a change, **we** will tell **First2Protect** if this affects **your** policy, for example whether **we** are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to **your** policy.

If the information provided by **you** is not complete and accurate:

- **We** may cancel or void **your** policy and refuse to pay any claim
- **We** may not pay any claim in full
- **We** may revise the premium and/or change any **excess** and/or the extent of the cover may be affected

In some circumstances **we** may not be able to continue **your** policy following the changes. Where this happens **you** will be told and the policy will be cancelled in line with **your** Cancellation Rights.

12. Sanctions

We will not provide cover, be liable to pay any claim or provide any benefit where doing so would expose **us** or any member of **our** group to:

- Any sanctions, prohibitions or restrictions under United Nations resolutions
- The trade or economic sanctions, laws or regulations of any country

Important Advice

This policy is designed to protect **you** against the risk of things happening suddenly which **you** could not have expected such as fire, theft, flood and **storm**. It is not designed to protect **you** against losses that arise due to the gradual deterioration or poor maintenance of the **property**.

We want to ensure that **you** are fully aware of the extent of **your** cover, and would therefore urge **you** to read this policy wording in full along with **your policy schedule**.

We have also taken this opportunity to bring some helpful information to **your** attention. This section does not form part of **your** policy and contains only examples of what is contained in **your** policy wording.

Storms

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property. It is therefore important that **you** keep the **property** in a good state of repair.

Areas that **you** should focus on include blocked or broken gutters or down-pipes, and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect so if **you** cannot check them yourself **you** should use a relevant building expert to do this for **you**.

Collision

If someone crashes into **your** wall or the **property** make sure **you** record their name, address, vehicle registration and contact details. **We** will need this information to help **us** try to recover **your excess**.

Subsidence

Damage caused by **subsidence** is the result of ground movement affecting the **property**. The most common signs of this are diagonal cracks away from door and window frames.

New properties or structures can often move for reasons other than **subsidence**, often because of the compaction of the ground below. This is known as **settlement** and is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that **you** tell **us** at **your** earliest opportunity if **you** think the **property** may be affected.

Escape of water

Your cover for escape of water is designed to cover damage to the **property** caused by water leaks.

It's always a good idea to get **your** boiler checked and/or serviced by a Gas Safe/ Oftec/Hetas certified engineer, depending on **your** heating system, in plenty of time for winter. This will help prevent boiler failure which could leave **you** with no heating and/or hot water.

One of the biggest risks of water damage occurs when **you** are away during the winter where pipes can freeze and burst causing large amounts of damage. It is important that **you** take steps to avoid this by keeping **your** central heating on low so **your** pipes do not freeze over. If **you** want to turn **your** heating off then **you** should drain **your** central heating system and switch off the water at the mains.

Pipes often burst because they have worn out; if this happens **you** should turn off the main stop tap and contact a plumber.

In addition, damage can occur due to water leaks caused when the sealant or grout around **your** bath or shower has worn away or failed.

Fires

A large percentage of fires start in the kitchen, and are caused by faulty electrical appliances or unattended cooking pans and equipment - particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Always purchase electrical goods from a reputable supplier as branded goods sold via untraceable internet suppliers at much reduced prices may be counterfeit and/or may not be fitted with the appropriate safeguards against the risk of fire.

Please ensure **you** bear these risks in mind and take adequate precautions to protect yourself and the **tenants**. Smoke alarms save many lives and significant damage every year, please ensure that **you** have them fitted and check them regularly.

Floods

If water has or is expected to enter the **property** **you** should secure the **property** and move **your valuables** and essentials to an elevated place or upper floor. **You** should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If **you** know that **you** live in an area which is prone to flooding, there are additional steps **you** can take to protect the **property** and **we** would recommend contacting **your** local Environment Agency for further advice or

Important Advice

call Floodline on 0345 988 1188.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. There are more specific insurance policies available to protect **you** against this risk which can be sought elsewhere.

Thefts

Many thefts are committed by so called 'opportunistic' criminals. The **property** is significantly more likely to be burgled if accessible entrances are not locked and secured. **Your** policy may carry an endorsement about the security **you** have in place to prevent thefts, this usually requires **you** to have certain types of door and window locks. Please check **your policy schedule** for details of any **endorsements** that may be applicable. If **you** fail to meet these requirements **we** may impose a higher **excess** for theft claims.

If the **property** is vacant **you** can make it appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries and use timers on lights if **you** have them.

Important Notices

Defective Premises Act 1972

The Defective Premises Act 1972 imposes duties in connection with the provision of dwellings and imposes liability for **injury** or damage caused to persons through defects in the state of premises. For further guidance please see the Office of Public Sector Information website (opsi.gov.uk) or contact the Citizens Advice Bureau.

Contracts (Rights of Third Parties) Act 1999 Clarification Clause

A person who is not a party to this insurance has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this insurance but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

The Dangerous Dogs Act 1991 imposes certain requirements on specific types of dog. It also places requirements in relation to dogs which are, as described in the Act, dangerously out of control. Important Information

At renewal, First2Protect will check that the premium offered by **your** current insurer is still the most competitive. If one of First2Protect's alternative panel members offers a more competitive price then First2Protect will transfer **your** cover to the alternative insurer. Please note that it is **your** responsibility to check that the information First2Protect holds for **you** is complete, accurate and up to date. It is also **your** responsibility to check that **your policy schedule**, sums insured, and any applicable **endorsements** to ensure cover remains adequate for **your** demands and needs. Please advise First2Protect at **your** earliest opportunity if cover no longer meets **your** demands and needs.

(Please also see **Your Right to Cancel**).

Please note **you** can opt out of auto renewal at any time, free of charge. If **you** wish to do this, contact First2Protect.

If the **property** is in a flood plain, in an area prone to flooding or if **you** have made a claim on **your** policy in relation to flooding or subsidence, then **you** are advised to not cancel this policy until suitable alternative insurance arrangements are in place.

Change of insurer

As **your** agent acting on **your** behalf, First2Protect may from time to time use different insurer(s), to underwrite **your** insurance. This may happen, for example, where **your** circumstances change significantly or where an alternative insurer can offer cover or terms that are more suitable to meet **your** demands and needs.

If **you** request that **your insurer** is changed, First2Protect will cancel **your** existing policy and will arrange a suitable replacement; taking care to ensure there is no break in cover. First2Protect will advise **you** of any change in the policy terms.

In the event that **your insurer** either declines or withdraws cover First2Protect may be required to move **you** to an alternative insurer without gaining **your** prior consent in order to ensure that there is no break in **your** cover. In such circumstances First2Protect will notify **you** and will advise **you** of any change in the policy terms. **You** will have the opportunity to terminate the replacement policy after such a change becomes effective.
